

Lord God These things I pray for myself and all those you have given me:

Make us rise above
Renew our strength
Keep us unto your heavenly reward in well doings unto the Lord

May we walk with the Lord Jesus, seek, desire him, love him and know him.

We would have all our basic needs

Be renewed in our strength unto the Lord

Love and study your word

Trust in the providence of God

Appreciate and always give thanks in all things

Health

Prosperity

Your mercy

Out pouring of your grace

That we abuse not your love and grace

That we turn not your grace into an opportunity to be a temptation to others to sin

That we would walk with a clean heart and mind in all things

That we not entertain evil in our hearts and mind

Comfort

Faith and faithfulness to one another to your word and in our commitments to others

Deliverance from all evil your safety and protection in all things

That our possessions and equipment would be blessed from break downs and that you would

ease our burden in times of need

We would be a diligent people overcoming a spirit of slothfulness and a spirit of folly that we would be passionate about our business as working unto the Lord and not man

That we would be strong and sober at all times and strengthened in our moral courage willing to be gentle and to sharply rebuke friends and strangers

That we would diligently come unto the house of God and be very humble and meek in working together for peace and harmony among the people of God

Disciplined eyes and heart
